REZONING FEEDBACK

RESPONSES RECEIVED ON COMMENT CARDS RELATED TO THE REZONING FROM THE PUBLIC MEETING

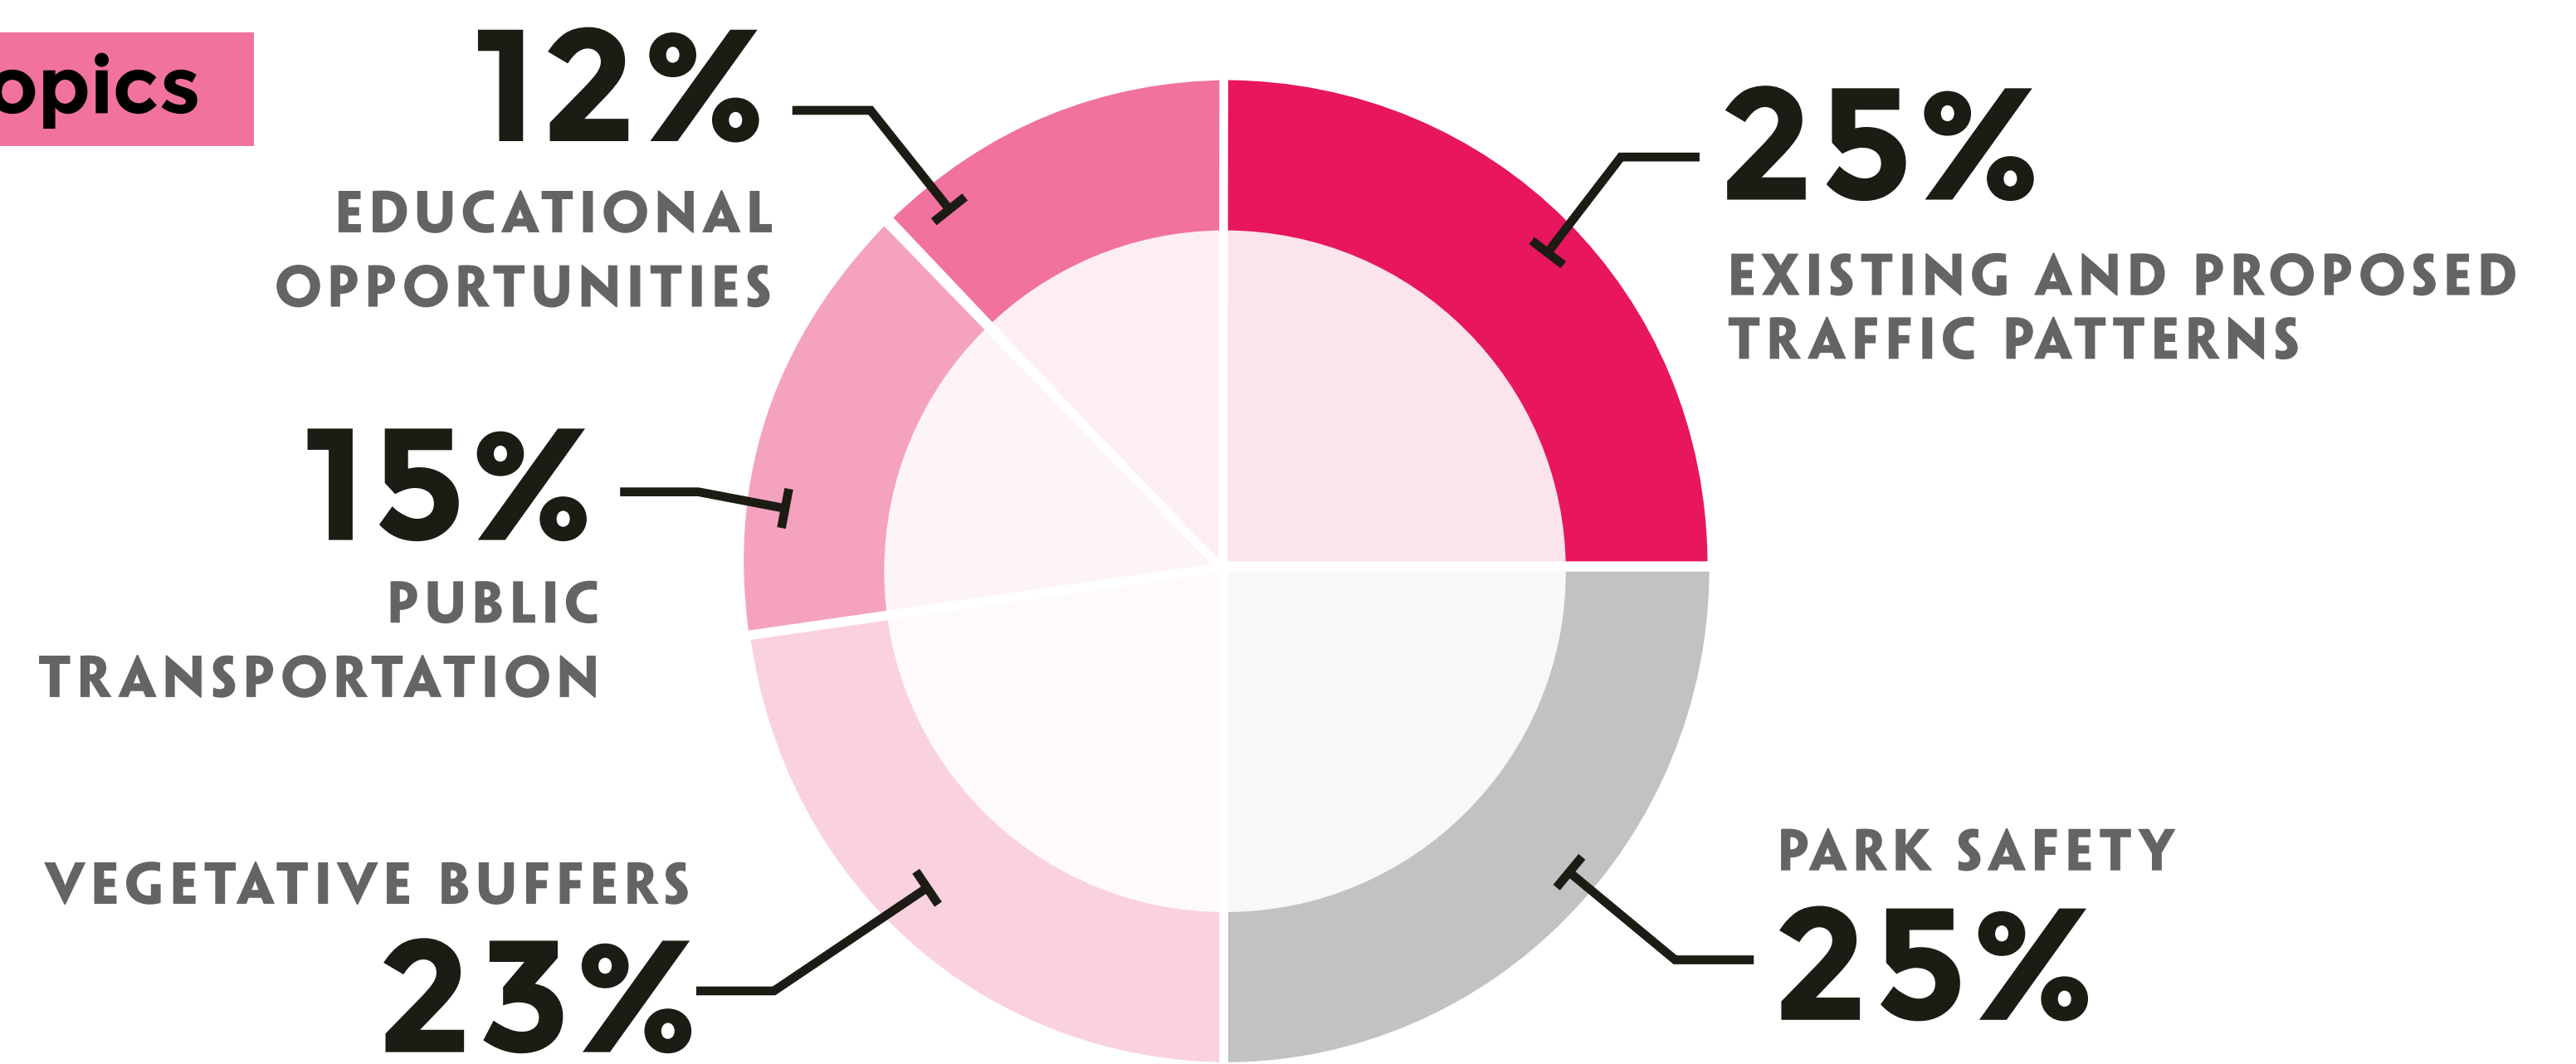

Recommendations

- Provide a mix of walking trails
- Form partnerships for healthy food
- Institute speed limit signs in the park
- Provide plenty of site lighting to keep the park safe at night
- Provide senior activities inside and outside of the building
- Understand how the homeless use the site and plan accommodations for them

Concerns

- Traffic, entering/exiting the park and width of roads
- DO NOT have an entry from Americana Avenue
- Where will overflow parking for the Regional Recreation Center be located?
- Buffers between Eastway Park and surrounding residential areas
- How will the area be secured for safety purposes?

THE EASTWAY STORY

EXCERPTS FROM THE JOURNAL ENTRIES AT THE PUBLIC MEETING

“Our youth are an important part of the existing community and the community’s future. Lets focus on building up our young people so they can one day realize their potential”

“This is why we need healthy parks, where we can take time away from our busy lives and re-create ourselves”

“This park has added great opportunities for the residents of East Charlotte. I’m excited to know that the seniors, youth, persons of all walks of life will have somewhere constructive for recreation.”

“Looking forward to the center, bringing everyone together. Looking forward to a complex with something for everyone”

PARK VISION

REGIONAL RECREATION CENTERS HAVE THE POTENTIAL TO PROVIDE AND **CONNECT THE REGION** TO A VARIETY OF HEALTH, WELLNESS AND EDUCATIONAL **OPPORTUNITIES**
